Scenes From A Troubled Mind

Gov't Mule

Sometimes your heart is on wheels, cant move slow
Sometimes you wonder how it feels
But youll never know
All the times that youve been blinded
All the times that youve been burned
Scenes from a troubled mindSometimes your soul is on fire
Sometimes its frozen
Do you choose to feel this way or
Are you chosen
All the treasures in your memory
All the pounding in your chest
Scenes from a troubled mind
Scenes from a troubled mindIts like a giant airplane
Inside your brain
Will it crash or will it fly
See what the moment brings
See what the moment bringsAnd who do you blame this time
Surely not yourself
Will you hide or run away
See what the moment brings
See what the moment brings
See what the moment brings
