

Wild Ways

Kyle Patrick

Hey!
I've been going hard
And its been getting kinda crazy

Hey!
Maybe not tonight
I think I'll stay in baby

What the hell am I saying
We're young and restless
Cant take the waiting
We wont gonna regret this
Lets live like legends
Lets lay it on the line
Do it over and over

I'm wide awake
I gotta get up outta bed
I got your name screaming in my head
Why am I here
When I should be with you instead
Lets go
Wild Ways

I'm freaking out
This cant be how the story ends
I want a memory
I can't forget
Why am I here?
The party isn't over yet
Lets Go
Wild Ways

Yo!
Another time
I'm gonna take it easy
Yo!
Made up my mind
I think I'm in for the evening

What the hell am I saying
We're young and restless
Can't take the waiting
We won't gonna regret this
Let's live like legends
Let's lay it on the line
Do it over and over

I'm wide awake
I gotta get up outta bed
I got your name screaming in my head
Why am I here
When I should be with you instead
Let's go
Wild Ways

I'm freaking out
This can't be how the story ends
I want a memory
I can't forget
Why am I here?
The party isn't over yet
Let's Go
Wild Ways

I'm on a high
What can I say
I kinda like
My wild ways

I'm feeling fly
Let's fly away
And let it go
Just let it go

I'm on a high
What can I say
I kinda like
My wild ways

I'm feeling fly
Let's fly away
And let it go
Just let it go
