

# Doctor My Eyes (Remastered)

**Jackson Browne**

Doctor, my eyes have seen the years  
And the slow parade of fears without crying  
Now I want to understandI have done all that I could  
To see the evil and the good without hiding  
You must help me if you canDoctor, my eyes  
Tell me what is wrong  
Was I unwise to leave them open for so long'Cause I have wandered through this world  
And as each moment has unfurled  
I've been waiting to awaken from these dreamsPeople go just where they will  
I never noticed them until I got this feeling  
That it's later than it seemsDoctor, my eyes  
Tell me what you see  
I hear their cries  
Just say if it's too late for meDoctor, my eyes  
Cannot see the sky  
Is this the prize  
For having learned how not to cry
