Every Time I Fall In Love

Clare Bowen

I'm in heaven on solid ground
It makes my world spin round and round
I'm inside out, I'm upside down
Every time I fall in loveI lose my keys, I lose my cool
I never learn, it's like I'm back in school
I end up breaking all my rules
Every time I fall in loveI've been here before
I'll be here again
I tell myself there's no one else
And then...I'm flying high with the birds and bees
But then they get the best of me
How come it feels like it's meant to be
Every time I fall in love(musical break)I've been here before
I'll be here again
I tell myself there's no one else
And then...I'm by the phone waiting for his call
Best looking thing that you ever saw
All dressed up for the wrecking ball
Every time I fall in love
Every time I fall in love
