Birthday

The Griswolds

Gonna get high on your birthday
(Gonna get high, gonna get high)
Gonna get wild on your birthday
(Gonna get wild, gonna get wild)
All the champagne on your birthday
(All the champagne, all the champagne)
All the cocaine on your birthday
(All the cocaine)We were going just, just to make a difference
And it makes me feel so goddamn insignificant
But I could make you feel like you'd just come alive
Because tonight, we're celebrating in style
Gonna get high on your birthday
(Gonna get high, gonna get high)
Gonna get wild on your birthday
(Gonna get wild, gonna get wild)
All the champagne on your birthday
(All the champagne, all the champagne)
All the cocaine on your birthday
(All the cocaine)No inhibitions making bad decisions
And I'm gonna treat you so goddamn magnificent
Cause I can make it feel like you're walking on air
Because tonight, we party like millionairesGonna get high on your birthday
(Gonna get high)
Gonna get wild on your birthday
(Gonna get wild, gonna get wild)
All the champagne on your birthday
(All the champagne, all the champagne)
All the cocaine on your birthday
Get fucked up on your birthday
(On your birthday, on your birthday)
'Til the sun comes up on your birthday
(On your birthday)
You're getting everything on your birthday
(On your birthday, on your birthday)
Do it all again your next birthday
(On your birthday)All the champagne on your birthday
(All the champagne, all the champagne)
All the cocaine on your birthday
And all the champagne on your birthday

(All the champagne, all the champagne)
Do it all again your next birthday
