

# Tie Me Down

## Shack

She ain't gonna tie me down  
So why you on the road?  
Buying all the shirts, all the hats, all the clothes?  
What you want right now? What up right now?  
I think you need to close your mouth  
'Cause you ain't gonna tie me down  
Tie me down, tie me down  
You ain't gonna tie me down  
You ain't gonna tie me down  
Know we been together for a minute  
But uh, it's kinda been forever since I been in  
The kinda situation not involving other women  
And it's pretty obvious that you kinda trippin', like  
"Who the hell is this bitch, lookin' a hot mess?  
What, you fell for this chick?"  
You know we got problems and you failed to fix it  
I'm like, "You need to go somewhere else with this shit"  
Because I ain't gonna put up with you  
Talkin' 'bout how she make you uncomfortable  
I mean, shit, I'm only 17  
And um, a perfect couple's only in a dream  
And right now, I'm pretty much away for this  
Relationships? I think we should wait for it  
I mean, later we can try things out  
But not right now 'cause  
She ain't gonna tie me down  
So why you on the road?  
Buying all the shirts, all the hats, all the clothes?  
What you want right now? What up right now?  
I think you need to close your mouth  
'Cause you ain't gonna tie me down  
Tie me down, tie me down  
You ain't gonna tie me down  
You ain't gonna tie me down  
Hey girl, what up? No, I'm not gonna make a scene  
But you can't tie me down like a pair of shoe strings  
Yeah, you cute, so what? But let's get it through your head  
Yeah, we make love, sex, weed all in the bed

It's the best and I love it, but things done change  
When I'm not faithful, you be feelin' all pain  
Now you stuck like a stain and I can't believe that  
Baby girl, one hundred I ain't tryin' to do that  
Got too many girls and I aint lettin' go  
'Cause my life is great and you ain't nothin' but a ho  
Yeah, you come to my shows and you very supportive  
Just showed me a camera and my show recorded  
It was nice, I'm surprised that you still standin' here  
As you know I'm a man and I have no fears  
I'mma start from the top  
Girl, this aint no love and I'mma New Boy, girl so  
She aint gonna tie me down  
So why you on the road?  
Buying all the shirts, all the hats, all the clothes?  
What you want right now? What up right now?  
I think you need to close your mouth  
'Cause you aint gonna tie me down  
Tie me down, tie me down  
You aint gonna tie me down  
(Tie me down)  
You aint gonna tie me down  
She aint gonna tie me down  
So why you on the road?  
Buying all the shirts, all the hats, all the clothes?  
What you want right now? What up right now?  
I think you need to close your mouth  
'Cause you aint gonna tie me down  
Tie me down, tie me down  
You aint gonna tie me down  
(Oh, baby)  
You aint gonna tie me down
