

Manny, Moe & Jack

Dickies

When you're on the road
And your car won't pull that load
And your wheels aren't feeling, feeling fine
Well, I know of this joint
Where they'll check your plugs and points
I know these guys, they're three good friends of mine
Hey, Manny, Moe and Jack
They know what I'm after
Manny, Moe and Jack
They know what I'm after
Manny, Moe and Jack
They know what I'm after
Manny, Moe and Jack
They know what I'm after
Manny, Moe and Jack
Once you're inside
They're gonna take you for a ride
They got a good deal for you and your automobile
For the right price
They're gonna sell you fuzzy dice
And leather hand grips for your steering wheel
Manny, Moe and Jack
They know what I'm after
Manny, Moe and Jack
They know what I'm after
Manny, Moe and Jack
They know what I'm after
Manny, Moe and Jack
If it's tires you want
They got a lot for you
Dunlop, Firestone, Pirelli too
Manny, Moe and Jack
They know what I'm after
Manny, Moe and Jack
They know what I'm after
Manny, Moe and Jack
They know what I'm after
Manny, Moe and Jack
They know what I'm after
Manny, Moe and Jack
I said, they know what I'm after

Manny, Moe and Jack
They know what I'm afterManny, Moe and Jack
They know what I'm after
Manny, Moe and Jack
They know what I'm after
Manny, Moe and Jack
