

# Long Live

**[Paula Fernandes - www.musicasparabaixar.org](http://www.musicasparabaixar.org)**

I still remember this moment  
In the back of my mind  
The time we stood with our shaking hands  
The crowds in stands went wild  
We were the kings and the queens  
And they read off our names  
The night you danced like you knew our lives  
Would never be the same  
You held your head like a hero  
On a history book page  
It was the end of a decade  
But the start of an age  
Long live the walls we crashed through  
While the kingdom lights shined just for me and you  
I was screaming, long live all the magic we made  
And bring on all the pretenders, one day we will be remembered  
I said, remember this feeling  
I passed the pictures around  
Of all the years that we stood there on the sidelines  
Wishing for right now  
We are the kings and the queens  
You traded your baseball cap for a crown  
When they gave us our trophies  
And we held them up for our town  
And the cynics were outraged  
Screaming, this is absurd  
'Cause for a moment a band of thieves  
In ripped-up jeans got to rule the world  
Long live the walls we crashed through  
While the kingdom lights shined just for me and you  
I was screaming, long live all the magic we made  
And bring on all the pretenders, I'm not afraid  
Long live all the mountains we moved  
I had the time of my life fighting dragons with you  
I was screaming, long live the look on your face  
And bring on all the pretenders, one day we will be remembered  
Hold on to spinning around  
Confetti falls to the ground  
May these memories break or fall

And you take a moment  
Promise me this  
That you'll stand by me forever  
But if God forbid fate should step in  
And force us into a goodbye  
If you have children someday  
When they point to the pictures  
Please tell them my name  
Tell them how the crowds went wild  
Tell them how I hope they shine  
Long live the walls we crashed through  
I had the time of my life with you  
Long, long live the walls we crashed through  
All the kingdom lights shined just for me and you  
And I was screaming, long live all the magic we made  
And bring on all the pretenders, I'm not afraid  
Singing, long live all the mountains we moved  
I had the time of my life fighting dragons with you  
And long, long live the look on your face  
And bring on all the pretenders, one day we will be remembered
