

# Birthday Boy (Live at John & Peter's)

Ween

Jesus Christ

Pain

Take one

Yeah! Pain Last time I saw you, I was holding your hand

And I couldn't wait for you to leave

I knew right then that it was over and done

And I couldn't believe that I was free Help me now, I'm going down

And I don't know if I'll be ok

I'll be around, I'll be in town

If you need a place to stay When the wind blows and there's a chill in the air

I hope that someone is taking care of you

I'm alright, yeah, I'm really ok

Just so you know I'm always there for you Help me now, I'm going down

And I don't know if I'll be ok

I'll be around, I'll be in town

If you need a place to stay (This is Happy Birthday.....

Happy Birthday to you, happy Birthday to you,

Happy Birthday dear Karen, happy Birthday to you.....

You're no longer only just a teenager, you're a full-grown 20....)
