

Break Em Off

Paul Wall & Lil Keke

I'ma break Æ em off real bad
I'ma show 'em, pourin' up a deuce and ridin' slab I'ma break Æ em off real bad
I'ma break Æ em, I'ma break Æ em off real bad
I'ma break Æ em, I'ma break Æ em off real bad
I'ma show 'em, pourin' up a deuce and ridin' slab I'ma break Æ em, I'ma break Æ em off real bad
I'ma break Æ em, I'ma break Æ em off real bad
I'ma break Æ em, I'ma break Æ em off real bad
I'ma show 'em, pourin' up a deuce and ridin' slab Now I gotta work my wood grain wheel
Poppin' trunks, poppin' grills, still poppin' seals
High up in the hill with my mind on mill
Piece of chain swingin', bank roll, shiny grill
Baby, I got million dollar dreams with my mind on cream
I'm in that mean green machine, clean on 19s
Flat screens in the headrest, swingin' like a swing set
Brandy wine, paint wet, comin' down, that's a fact I'm in the 'Lac, chasin' broads like a lesbian
Full of that kush flower, I'm breakin' off pedestrians
Higher than the street light, floatin' like a parachute
Buzzin' like a bumblebee, mustard green Bentley Coupe Young gangsta, mac game, sharper than a thumbtack
Breakin' Æ em off, makin' all the boppers attract
Then they watch me, I'm rocked up
Fully loaded and slabbin', tryin' to hit it and quit it
And walk off like Big Poppi, break Æ em off Break Æ em off real bad
I'ma break Æ em, I'ma break Æ em off real bad
I'ma break Æ em, I'ma break Æ em off real bad
I'ma show 'em, pourin' up a deuce and ridin' slab
I'ma break Æ em, I'ma break Æ em off real bad
I'ma break Æ em, I'ma break Æ em off real bad
I'ma break Æ em, I'ma break Æ em off real bad
I'ma show 'em, pourin' up a deuce and ridin' slab Ay, ay, I pull up like this, untouchable white wrist
I'm hotter than warm piss, berry, grape, Sunkist
The truck, gold mist, five 50, slow, buddy
Bentley Continental with the mink floors, dummy Paul Wall money, that's expensive taste
And Æ em frilly ass fools, we send Æ em to my space
I'ma break Æ em off until the backbone broken
Stainless steel, drop Phantom, leave the top open Shit done hit the fan, better cover your nose
And the kush done start burnin', better cover your clothes
Concrete crumblin', glass shootin' lazars
Crawlin' and cuttin' up on 24 razors I'ma show Æ em how to make the slab look phenomenal
Chasin' paper in the mornin', call me Houston Chronicle

Hold on, then you buckle up the seat belt
Swisha House, Young Don, capital TFI'ma break Æ em off real bad
I'ma break Æ em, I'ma break Æ em off real bad
I'ma break Æ em, I'ma break Æ em off real bad
I'ma show 'em, pourin' up a deuce and ridin' slabI'ma break Æ em, I'ma break Æ em off real bad
I'ma break Æ em, I'ma break Æ em off real bad
I'ma break Æ em, I'ma break Æ em off real bad
I'ma show 'em, pourin' up a deuce and ridin' slabOh really, I'm higher than the satellite, crawlin' like a baby
Maneuverin' through the traffic like I'm Tracy McGrady
Still choppin' on Æ em buttons, I'm struttin' and lookin' fresh
Switch hittin' like Bergman, this is ballin' at its bestIn that minute, may drop it with retractable roof
Finer than wood, wavin' the hood, student loans on the two
The fifth wheel on the ground and the trunk in the air
Paul Wall, baby, I'm the definition of playaMy skills is so ill when workin' that wood wheel
Tippin' 4s like a waiter, beware of the overseer
Wide screen mind frame, panoramic pimpin'
I'm sippin' on that Osama, baby, leanin' like I'm limpin'In that 2 seater feeder, it's me and a senorita
3 ounces up in the liter and it's ten up in the heater
Mackin' a mamacita, runnin' game like a cheetah
I'm knockin' Æ em out the park, similar to Derek JeterBreak Æ em off, break Æ em off real bad
I'ma break Æ em, I'ma break Æ em off real bad
I'ma break Æ em, I'ma break Æ em off real bad
I'ma show 'em, pourin' up a deuce and ridin' slabI'ma break Æ em, I'ma break Æ em off real bad
I'ma break Æ em, I'ma break Æ em off real bad
I'ma break Æ em, I'ma break Æ em off real bad
I'ma show 'em, pourin' up a deuce and ridin' slab
