Statue of a Fool

Ricky Van Shelton

Somewhere there should be for all the world to see
A statue of a fool, made of stone
The image of a man, who let love slip through his hands
And then just let him stand there all aloneAnd there on his face, a gold tear should be placed
To honor the million tears he's cried
And the hurt in his eyes would show so everyone would know
That concealed is a broken heart insideSo build me a statue
And Lord, build it high so that all can see
Then inscribe all the world's greatest fool
And name it after me, after me
