

# Statue of a Fool

[Ricky Van Shelton](#)

Somewhere there should be for all the world to see  
A statue of a fool, made of stone  
The image of a man, who let love slip through his hands  
And then just let him stand there all alone  
And there on his face, a gold tear should be placed  
To honor the million tears he's cried  
And the hurt in his eyes would show so everyone would know  
That concealed is a broken heart inside  
So build me a statue  
And Lord, build it high so that all can see  
Then inscribe all the world's greatest fool  
And name it after me, after me
