

New Thang

Redfoo

Ooh, the way that you pop, girl
Makes me go cray, show me what you got, girl
You could be my new thang
Oh, the way that you move
Makes me go cray, pick it up now drop girl
You could be my new thang Get saxy, girl, get saxy
Get saxy, girl, get saxy
Get saxy, girl, get saxy I heard it's yo birthday
Grab a drink if ya thirsty
I can see that ya need an OG
That can do ya the beast and the worst way
Pop it like a go-go
Drop it like a low-low
What's that? It's a go-pro
So I can watch that back, HD- Slo-mo I don't care if it's the first beat
I'll take ya back to my place
We can skip first base
Cuz a playa like me
Tryna slide into home plate
Clap clap, make it clap
Lights on, lights off
Make it clap
Yeah
Make it clap
My name ain't Santa
But she sittin' on my lap Oh, the way that you pop, girl
Makes me go cray, show me whachya got, girl!
You could be my new thang
Oh, the way that you move
Makes me go cray, pick it up now drop girl
You could be my new thang Get saxy, girl, get saxy
Get saxy, girl, get saxy
Get saxy, girl, get saxy I heard that ya single
Now ya talkin' my lingo
Let's play casino
Bring four friends plus you
Bingo! Ye ain't nuttin' but a flirt
The way ya bouncin' in that shirt
It's amaxin' how ya drop it

Pick it up and still make it workYo body lethal, I might LA freak ya
Goddamit, that booty fast
Sittin' high up on yo back
What the f*ck did they feed ya?
Clap clap, make it clap
Lights on, lights off
Make it clap
Yeah
Make it clap
My name ain't Apple
But they call me the MacOh, the way that you pop, girl
Makes me go cray, show me whachya got, girl!
You could be my new thang
Oh, the way that you move
Makes me go cray, pick it up now drop girl
You could be my new thangHey bae I know we hardly met.
And I like that, you playing hard to get.
And you're the type that makes wanna do things.
And that's why I'm trying to make you my new thang.Get saxy, girl, get saxy
Get saxy, girl, get saxy
Get saxy, girl, get saxy
