Everything

Crematory

Sometimes I cry for things
That I have lost forever
Sometimes I'm feeling all alone - all alone
Someday I lost my heaven
A wanderer without a home
Someday I'm walking by myself - all aloneAnd then I dry for things
That I will never getEverything I lost - and everything I touch
And everything I love - falls apart and dies in pain
Everything I lost - and everything I touch
And everything I love - falls apart and dies in pain
Everything I lostI need a heart to break
That I have lost forever
I need a soul to keep - to keep forever
Someday I will never return
A traveller without a view
A little piece of mine - no peace of mind
And then I cry for things
That I will never get
