Infected Girls

Electric Six

Advisory - the following lyrics contain explicit language:

I rode a sex wave and washed up on your shore
A twist of fate, I was just what you were lookin' for
Young roller skater, trained in CPR
Saying, "Boy, you just don't know how lucky you are"It's whippin' me, it's whippin' you
Turnin' black, turnin' blue, hell no
Now I'm just a statue in the garden
Where your evil flowers growCallin' unprotected girls
Infected girls, do it better
(Ooh, ooh)
Callin' unprotected girls
Infected girls, do it better
(Ooh, ooh)Increase the power
(Increase it)
To a higher level
I like you better
When you're possessed by the devilI gave you my heart
I gave you my soul
Now I'm just another number
At the center for diseaseFeels like a fire down below
(Feels like a fire down below)
Now I'm just a statue in the garden
Where your evil flowers growCallin' unprotected girls
Infected girls, do it better
(Ooh, ooh)
Callin' unprotected girls
Infected girls, do it better
(Ooh, ooh)It's whippin' me, it's whippin' you
Turnin' black, turnin' blue, hell no
Now I'm just a statue in the garden
Where your evil flowers growCallin' unprotected girls
Infected girls, do it better
(Ooh, ooh)

Callin' unprotected girls
Infected girls, do it better
(Ooh, ooh)Callin' unprotected girls
Infected girls, do it better
(Ooh, ooh)
Callin' unprotected girls
Infected girls, do it better
(Ooh, ooh)
