

Give a lil love

Bob Sinclar

Now you and I can get together
Let us start a revolution
Change this world to what it should be
And forget all this confusionWe could live together
For the sake of love
What are we fighting for
Ohh now, we could start healing todayIf we can just learn to give
Give a lil' love
You and I can change the world
Live a lil' love
Make it better if we tryShow a lil' love
Let your love rain
Let it rain down on meNow if we wait and do nothing
Then what about their future
How can we look in to their eyes
And say we love our childrenWe can make it better
Feel the love inside
Forget foolish pride, oh yeah
I know that we can find the wayIf we can just learn to give
Give a lil' love
You and I can change the world
Live a lil' love
Make it better if we tryShow a lil' love
Let your love rain
Let it rain down on me
So let it rainFor the people
Let it rain
Shower me with your love
Let it rain now
Let it rainAnd let the children sing
Around the world you feel the love that we say, hey
Around the world we say make a better day
Around the world we feel the love that we say, hey
Around the world we say make a better dayAround the world we feel the love that we say, hey
Around the world we say make a better day
Around the world we feel the love that we say, hey
Around the world wa say make a better dayCome on, come on, come on, yeah
Give a lil' love
You and I can change the world

Live a lil' love
We can make it happenShow a lil' love
Let it rain
Let it rain down on me
Let it rainSo let it rain
For all the people
Let it rain
So let it rain
