Scared

Plankeye

I feel Your presence when I'm on my knees
Asking for forgiveness, Lord, hear my cries and pleas
I know You're there Lord, I knowyou care
I know you set me free, but I'm still scared
I know You're there, but I'm still scared...
Through prayer, Lord I see the works You've done in my life
Even when the times get hard You lift me up in Your light...
I know You're there Lord, I know You care
I know You set me free, but I'm still scared
