This is the earth
The soil, its dirt
Through work and toil
The harvest of lightGive me a song
Something to sing
Something to say
Give me the words
The way
Look in the eyes of the child we have made
Awoke my soul
Awoke my time
Awoke my place
This is the earth
The soil, it's dirt
Through work and toil
The harvest of lightBuild us a temple
A temple for the gods
Build us a temple
Deep in the seer's mindBuild us a temple
A temple for the gods
Build us a temple
Deep in the seer's mind
Build us a temple
A temple of light
Build us a song
A star, a sign
Build us a temple
A temple for the gods
Build us a temple
A temple for the light
