

Confidence

Har Mar Superstar

Yeah, I know
I know
I know
Yeah, I know Oh I'm confident enough to tell you
That I feel alone
But I'm incompetent to let you know
How I feel when I've got you on the phone Oh I'm confident enough to beg you
Oh oh oh oh oh oh
Please don't go Yeah, I know
I know
I know
Yeah, I know
Yeah, I know
I know
I know
Yeah, I know Sometimes I can't rely on myself
Sometimes, sometimes
Can't rely on myself
I know, I know To be open
To be honest
To do everything I ever felt a lover
Should have done for me Please be careful
With your feelings
Though I'm trying hard
I fear the worst
My confidence is just skin deep
Yeah, I know
I know
I know
Yeah, I know Yeah, I know
I know
I know
Yeah, I know Can't on rely on myself
Sometimes, sometimes
Can't rely on myself
I know, I know To be open
To be honest
Though I'm trying hard
I fear the worst

My confidence is just skin deep
