

# Away In a Manger

Olivia Newton-John

Away in a-a manger  
No-o crib for a bed  
The-e little Lord Jesus  
Lai-aid down his sweet head  
The stars in the-e bright sky  
Loo-ooked down where he lay  
The-e little Lord Jesus  
A-asleep on the hayThe cattle are-are lowing  
The-e baby awakes  
Bu-ut little Lord Jesus  
No-o crying he makes  
I love thee, Lor-ord Jesus!  
Loo-ook down from the sky  
A-and stay by my side  
Unti-il morning is nighBe near me Lo-ord Jesus  
I-I ask thee to stay  
Clo-ose by me forever  
A-and love me I pray  
Bless all the dear-ear children  
I-in thy te-ender care-are  
And fit us for heaven  
To-oo live wi-ith thee-ee there
