

Oh Romeo

Mindy McCready

Juliet waits at the border
Of a creek without a corner
Gazes into the dark
Was it the moon or only
Her fear of being lonely
That gave her leave of her heart?
Oh, oh, ohOh Romeo
(Romeo)
Who would lay down her life?
(Romeo)
Swallow the poison, pick up the knife
Maybe I cried
(Maybe I cried)
Just a teardrop or two
(Tear or two)
I would not die for you
I would not die for youJust another romantic depressant
Giving in she becomes obsessive
Maybe this time I'll learn
Life's like a box of matches
Sometimes the whole thing catches
And all you can do is watch it burn
Oh, oh, ohOh Romeo
(Romeo)
Who would lay down her life?
(Romeo)
Swallow the poison, beck of the night
Maybe I cried
(Maybe I cried)
Just a teardrop or two
(Tear or two)
I would not die for you
I would not die for youJuliet waits at the border
Contemplates the new world orderOh Romeo
(Romeo)
Who would lay down her life?
(Romeo)
Swallow the poison, beck of the night
Maybe I cried

(Maybe I cried)
Just a teardrop or two
(Tear or two)
I would not die for you
I would not die for you
I would not die for you Oh Romeo
(Romeo)
Oh Romeo
(Romeo)
Oh Romeo, Romeo, Romeo and Romeo, Romeo
Oh Romeo, Romeo, Romeo and Romeo, Romeo
