

# If I Didn't Love You

[Mark Sholtez](#)

So good, when it's good I wanna spend my whole life lovin' you  
But I'm tired and you don't know how close I've come to leaving you  
You try my patience and you race me to the wire  
It takes every ounce of my will and desire If I didn't love you, if I didn't love you like crazy  
If I didn't love you baby as much as I do  
I'd just walk out the door, I couldn't take it anymore  
I wouldn't put up with what you put me through  
If I didn't love you It's hard but you won't give up until you push me to the wall  
But I know you're the only one who'll be there for me when I call  
Oh yes you will  
I can't help believing that it's worth it somehow  
'Cause I've worked too damn hard to wanna give up now If I didn't love you, if I didn't love you like crazy  
If I didn't love you baby as much as I do  
I'd just walk out the door, I couldn't take it anymore  
I wouldn't put up with what you put me through  
If I didn't love you, if I didn't love you  
No, if I didn't, if I didn't love you like I do When you love someone nothing's black or white  
When the riptide runs there's no wrong or right  
I'll sail with you but I'll refuse to drown  
So don't you take me down, down, take me down down  
Don't you take me down, down, down If I didn't love you, if I didn't love you  
I'd walk out that door, I don't need it anymore  
Need to put up with what you put me through  
I didn't love you, if I didn't love you, if I didn't love you, oh  
If I didn't love you, if I didn't love you like I do, yeah  
I'd walk out that door and not comin' back no more, oh oh, no more
