

Death At One's Elbow

The Smiths

Oh, Glenn
Don't come to the house tonight
Oh, GlennOh, Glenn
Don't come to the house tonight
Oh, GlennBecause there's somebody here
Who really really loves you
Oh, GlennStay home
Be bored it's crap, I know
TonightOh, Glenn
Oh, Glenn
Don't come to the house tonight
Oh, GlennOh, Glenn
Don't come to the house tonightBecause there's somebody here
Who'll take a hatchet to your ear
The frustration it renders me
Hateful, ohOh, don't come to the house tonight
Oh, don't come to the house tonight
Because you'll slip on the
Trail of all my sad remainsThat's why, that's why
Goodbye my love, goodbye my love
Goodbye my love, goodbye my love
Goodbye my love, goodbye my love
