Riverland

Haystacks Balboa

Riverland.

I think I`m in Riverland
I find that it`s a dream
Little children rule the land
Was a thought with loud rock band
In Riverland where life is grant
In Riverland where life is grant in Riverland.
Pa-pa- pa-pa pa- pa-pa...

Little girls all tightly tend
Looking for the wealthy hand
In Riverland where life is grant
In Riverland where life is grant
In Riverland
Pa-pa- pa-pa pa- pa-pa...

Men power all are sent
People`s heads are never chant
In Riverland where life is grant
In Riverland where life is grant
In Riverland...
Pa-pa- pa-pa pa- pa-
