## Haystacks Balboa

Riverland.

-----

I think I'm in Riverland  
I find that it's a dream  
Little children rule the land  
Was a thought with loud rock band  
In Riverland where life is grant  
In Riverland where life is grant in Riverland.  
Pa-pa- pa-pa pa- pa-pa...

Little girls all tightly tend  
Looking for the wealthy hand  
In Riverland where life is grant  
In Riverland where life is grant  
In Riverland  
Pa-pa- pa-pa pa- pa-pa...

Men power all are sent  
People's heads are never chant  
In Riverland where life is grant  
In Riverland where life is grant  
In Riverland...  
Pa-pa- pa-pa pa- pa-
