

# All Your Life

## The Band Perry

Would you walk to the edge of the ocean?  
Just to fill my jar with sand?  
Just in case I get the notion,  
To let it run through my hands.  
Let it run through my hands. I don't want the whole world,  
The sun, the moon and all their light.  
I just wanna be the only girl,  
You love all your life.  
You love all your life. Would you catch a couple thousand fireflies?  
Yeah, and put 'em in a lamp to light my world.  
All dressed up in a tux and bowtie.  
Hand Delivered to a lonely girl.  
To a lonely lonely girl I don't want the whole world,  
The sun, the moon and all their light.  
I just wanna be the only girl,  
You love all your life.  
You love all your life. Lately I've been writing desperate love songs.  
I mostly sing them to the wall.  
You could be the center piece of my obsession  
If you would notice me,  
Yeah, ooh yeah Well I don't want the whole world, no  
The sun, the moon and all their light.  
I just wanna be the only girl,  
You love all your life.  
You love all your life You love all your life, life, yeah.
