Uh huh, life's like this
Uh huh, uh huh
That's the way it is.'cause life's like this
Uh huh, uh huh
That's the way it isChill out
Whatcha yelling for?
Lay back
It's all been done before
And if you could only let it be you would seeI like you the way you are
When we're driving in your car
And you're talking to me one-on-one
But you've becomeSomebody else, round everyone else
You're watching your back, like you can't relax
You're trying to be cool, you look like a fool to me
Tell meWhy'd you have to go and make things so complicated?
I see the way you're
Acting like somebody else, gets me frustrated
Life's like this and you'll,
Fall and you crawl and you break and you take what you get
And turn it into
Honesty promised me
I'm never gonna find you fake it.
No no no.You come over unannounced
Dressed up like you're someone else
Where you are & where it's at you see
You're making me, laugh out
When you strike a pose, take off
All your preppy clothes
You know you're not fooling anyone
When you becomeSomebody else, round everyone else
Watching your back, like you can't relax
You're trying to be cool, you look like a fool to me
Tell meWhy'd you have to go and make things so complicated?
I see the way you're acting like you're somebody else
Gets me frustrated, life's like this you
You fall and you crawl and you break and you take what you get
And you turn it into
Honestly you promised me
I'm never gonna find you fake it

No no no (no no no)
No noChill out
Whatcha yelling for?
Lay back it's all been done before
And if you could only let it be, you would seeSomebody else, round everyone else

Tell me!Why'd you have to go and make things so complicated?
