God Is Good

Regina Belle

I know that God-- my God.
God Is Good

-
Oh

God
---
my God.
God Is Good

-
You know he brought me out of darkness.
God Is Good

--

You know that he saved
---
my soul.
God Is Good

Said that he saved
---
my soul.
God Is Good

-
I said that he saved
---
my soul, and then he brought me out of darkness.
God Is Good

-

You know that he guides my every foot step.
God Is Good

-
I said he guides my every foot step.
God Is Good

-
You know that he guides my every foot step, then he saved
---
my soul, and then he brought me out of darkness.
God Is Good

-

And then he put shoes on the feet.
God Is Good

-
I said he put shoes on my feet.
God Is Good

-
I know he put shoes on my feet, so he could guide my every foot step,
Jesus saved
---
my soul, then he brought me out of darkness.
God Is Good

-

And then he put food on my table.
God Is Good

-
Said he put food on my table.
God Is Good

-
Said he put food on my table, then he put shoes on my feet, so he could guide my every foot step, Jesus saved
---
- my soul, and then he brought me out of darkness.
God Is Good

-

And then he made

- a way--
God Is Good

-
Said he made
---
a way
God Is Good

-
I said that he made
---
a way, then he put food
---
on my table, then he put shoes
---
on my feet, so he could guide my every foot step, Jesus saved
---
my soul, and then he brought me out of darkness.
God Is Good

-

I know with no money in my pocket.
God Is Good

-
With no money in my pocket.
God Is Good

-
With no money in my pocket, he still made
---
a way, then put food
---
on my table, and he put shoes on my feet, so he could guide my every foot step, Jesus saved
---
my soul, and then he bought me out of darkness.
God Is Good

-

You know that he healed my every sickness.
God is Good

-
Said that he healed my every sickness.
God Is Good

-
I said that he healed my every sickness, with no money in my pocket, he still made
---
a way, out of no
---
way, he still made
---
a way, out of no
---
way, he still made
---
a way, out of no
---
way, then he put food on my table, and he put shoes on my feet, so he could guide my every foot step, Jesus saved
---
my soul, I know that he saved
---
my soul, i know he saved
---
my soul, and then he brought me out of darkness.
