

God Is Good

Regina Belle

I know that God-- my God.

God Is Good

-

Oh

God

my God.

God Is Good

-

You know he brought me out of darkness.

God Is Good

--

You know that he saved

my soul.

God Is Good

Said that he saved

my soul.

God Is Good

-

I said that he saved

my soul, and then he brought me out of darkness.

God Is Good

-

You know that he guides my every foot step.

God Is Good

-

I said he guides my every foot step.

God Is Good

-

You know that he guides my every foot step, then he saved

my soul, and then he brought me out of darkness.

God Is Good

-

And then he put shoes on the feet.

God Is Good

-

I said he put shoes on my feet.

God Is Good

-

I know he put shoes on my feet, so he could guide my every foot step,

Jesus saved

my soul, then he brought me out of darkness.

God Is Good

-

And then he put food on my table.

God Is Good

-

Said he put food on my table.

God Is Good

-

Said he put food on my table, then he put shoes on my feet, so he could guide my every foot step, Jesus saved

- my soul, and then he brought me out of darkness.

God Is Good

-

And then he made

- a way--
God Is Good

-

Said he made

a way
God Is Good

-

I said that he made

a way, then he put food

on my table, then he put shoes

on my feet, so he could guide my every foot step, Jesus saved

my soul, and then he brought me out of darkness.

God Is Good

-

I know with no money in my pocket.

God Is Good

-

With no money in my pocket.

God Is Good

-

With no money in my pocket, he still made

a way, then put food

on my table, and he put shoes on my feet, so he could guide my every foot step, Jesus saved

my soul, and then he bought me out of darkness.

God Is Good

-

You know that he healed my every sickness.

God is Good

-

Said that he healed my every sickness.

God Is Good

-

I said that he healed my every sickness, with no money in my pocket, he still made

a way, out of no

way, he still made

a way, out of no

way, he still made

a way, out of no

way, then he put food on my table, and he put shoes on my feet, so he could guide my every foot step, Jesus

saved

my soul, I know that he saved

my soul, i know he saved

my soul, and then he brought me out of darkness.

God Is Good
