

(I've Seen) Paradise

Natalie Cole

Hmm, hmm, hmm, hmm, hmm, hmm Just like a welcome fire
That comes in the cold
You make my heart warm
And a little more love is born And I'm caught up once again on you
Soft as a rose, your tenderness glows
But you're so strong
And I know I'm gonna love you long Well, crazy maybe
But I've seen paradise
Here in your eyes
I'm in seventh heaven Ooh, there's nothing quite
Like spending your life
With a special someone
It feels so right When the lights are out
And I'm in the dark
I'm not afraid, no
Long as I can get A piece of your heart
And the wind sighs
I love you
Specially when we touch
I need it so much
And I'm glad that we found love Let the record show that I know
That I've seen paradise
Here in your eyes
I'm in seventh heaven Ooh, there's nothing quite
Like spending your life
With a special someone
It feels so right Hmm, ooh
(Paradise)
Hey, I'm in para, paradise, yeah
I'm in paradise, you know
You know that I like, you know that I like
You know that I like to be in paradise (Paradise)
I'm in paradise
And for those who think that there's no such thing
As eternity, they should take a look at you and me
We have got the perfect harmony
Specially when we touch You know I need it, oh, so much
I'm in heaven specially
When I'm with you, hey

I'm in paradise
(Paradise)I'm in paradise, paradise and a
Here in your life
Here in your eyes
(Paradise)Oh really, I'm in paradise
You know that I like, you know that I like
You know that I like to be in paradise(Paradise)
I wanna move with you
I wanna groove you, baby
With me, with me in paradise
I said I'm in paradiseOoh, ooh, hoo
(Paradise)
Yeah, to be in paradise with you and me
To be enough, paradise here in your eyesWoh, woh, woh, woh, woh
You that I like, you know that I like
You know that I like, you know that I like
You know that I like, you know that I like, I like
I like to be in paradiseSpending my life, spending my life
Spending my life, spending my life
Spending all my life with you
Here in paradise, woh, yeah, yeah, yeah, yeah
