You're a superstar!'Cause you're a superstar, baby, you're a superstar 'Cause you're a superstar, baby, to me 'Cause you're a superstar, I'll show you what you are 'Cause you're a superstar, baby, to meNow I'm speechless I can't believe that you're next to me I cannot fall in line Everyone's starin', but I'm not sharin', no sir, no way I'll steal your love and take it from the world we below So hold out your hand'Cause you're a superstar, baby, you're a superstar 'Cause you're a superstar, baby, to meOh my god, what the fuck is this disco shit? What happened to the dubstep!? Looks like perfection wants your attention, so I say hey I cannot fall in line It's nice to meet ya, what a pretty little creature, tell me your name I'll steal your love and take it from the world we below So hold out your hand'Cause you're a superstar, baby, you're a superstar 'Cause you're a superstar, baby, to me Come give me love, don't give it up Come give me everything I ever want and more Come give me love, like a superstar Just give me everything I ever want and moreCome give me love, don't give it up Come give me everything I ever want and more Come give me love, like a superstar Just give me everything I ever want and moreCome give me love Come give me loveCome give me loveCome give me love Come give me love

Come give me love Come give me love Come give me love Come give me love Come give me love Come give me love Come give me love Come give me love Come give me love Come give me love Come give me love Come give me love Come give me love Come give me love Come give me love Come give me love Come give me love Come give me love
