

# No Flowers, Please

## Slut

got me a long long way down here as far as I know think I was somebody else been going high - going nowhere  
as far as I know still it me to trick myself to trick myself no flowers got me a long long way down here been part  
of the show might get lost without your help been going high - going nowhere as far as I know still it me to trick  
myself to trick myself no flowers, please think I was somebody else think Ie always tricked myself no flowers,  
please
