Wild Woman (feat. Cristina Scabbia)

Danko Jones

Wild woman you got to show me away

Wild woman, they say stay off her way

Wild woman, you never settle down

Wild woman I'm always out of time

You don't listen to love anymore

You don't listen to love anymoreWild woman

You know we sit like a [?]

Wild womanYou don't listen to love anymore

You don't listen to love anymore

You don't listen to love anymoreWild woman

You got to show me a way

Wild woman

They said stay away

You don't listen to love anymore

You don't listen to love anymore

You don't listen to love anymore

You don't listen to love anymoreWild woman you got to show me away

Wild woman, they say stay off her way

Wild woman, you never settle down

Wild woman I'm always out of time

You don't listen to love anymore

You don't listen to love anymoreWild woman

You know we sit like a [?]

Wild womanYou don't listen to love anymore

You don't listen to love anymore

You don't listen to love anymore

Wild woman

You got to show me a way

Wild woman

They said stay awayYou don't listen to love anymore

You don't listen to love anymore

You don't listen to love anymore

You don't listen to love anymore
