

Dancing the Manta Ray

Pixies

Do the manta ray
Do the manta ray
Do the manta ray
Do the manta ray Your head can go real screw
With saucers chasing you Dance the manta ray
Dance the manta ray
Dance the manta ray
Dance the manta ray
Dance the manta ray Your head can go real screw
With saucers chasing you This don't swim
This fly, fly, c'mon Your head can go real screw
With saucers chasing you
