## **Dancing the Manta Ray**

## **Pixies**

Do the manta ray

Do the manta ray

Do the manta ray

Do the manta rayYour head can go real screw

With saucers chasing youDance the manta ray

Dance the manta ray

Dance the manta ray

Dance the manta ray

Dance the manta rayYour head can go real screw
With saucers chasing youThis don't swim
This fly, fly, c'monYour head can go real screw
With saucers chasing you
