Roll on Down the Highway

BTO Spider

We rented a truck and a semi to go
Travel down the long and winding road
Look at the map, I think we've been here before
Close all the doors, let's roll once moreCop on the corner, look he's startin' to write
I don't need no ticket so I screamed out of sight
Drove so fast that my eyes can't see
Look in the mirror, is he still followin' me?Let it roll down the highway
Let it roll down the highway
Roll, rollLook at the sign, we're in the wrong place
Move out boys, let's get ready to race
454 coming over the hill
The man on patrol is going to give us a billThe time's real short, you know the distance is long
I'd rather have a jet but it's not in the song
Climb back in the cab, cross your fingers for luck
We gotta keep movin' if we're gonna make a buckLet it roll down the highway
Let it roll down the highway
Roll, rollLet it roll, let it roll
Let it roll, let it rollLet it roll down the highway
Let it roll down the highway
Roll, rollRoll down the highway
Let it roll down the highway
Roll, roll, rollLet it roll down the highway
Let it roll down the highway
Roll, roll, roll
