

Hit the Ground Running

[Jonny Lang](#)

Biggest fool there ever was
I let you go
Now I can't survive without your touch
I need you so Now baby all you've got to do
Is tell me that you need me too I hit the ground running
I hit the ground running
I hit the ground running
Back to you Oh, well, I'd rather die a thousand deaths
Than to lose you love
But now I'm drowning in my loneliness
I can rise above, yeah I can Well, just forgive me this one last time
And tell me baby you're still mine I hit the ground running
I hit the ground running
I hit the ground running
Back to you Oh I hit the ground running
I hit the ground running
I hit the ground running
Back to you You know I'm coming
I'm coming back for you by now baby
So if you don't want me baby
Lock your doors 'cause here I come
