VELOURIA

[unknown]

Hold my head, we'll trampoline
Finally through the roof onto somewhere near and far in time
Velouria, her covering, traveling career
She can really move, oh, VelveteenMy Velouria, my Velouria
Even I'll adore you, my Velouria
Even I'll adore you, my VelouriaSay to me, where have you been?
Finally through the roof
And how does lemur skin reflect the sea?We will wade in the shine of the ever
We will wade in the shine of the ever
We will wade in the tides of the summer, every summer
Every my Velouria, my VelouriaForevergreen, I know she's here in California
I can see the tears of ShastasheenMy Velouria, my Velouria
Even I'll adore you, my Velouria
Even I'll adore you, my Velouria
