

I'm Gonna Sing You a Sad Song Suzy

[Kenny Rogers](#)

I'm gonna sing you a sad song, Susie
I'm gonna sing you a sad song, girl
I'm gonna sing you a sad song, Susie
I'm gonna sing a love song
All about you and me, girl Oh girl, you know you lied to me
You said you love me more than anything
And all the time I was just a fool
Another fool in your care
I'm gonna sing you a sad song, Susie
I'm gonna sing you a sad song, girl
I'm gonna sing you a sad song, Susie
I'm gonna sing a love song
All about me and you, girl Oh girl, you still don't know what love's all about
To you it's just another game too
I may be hurting now but in the end
Oh, in the end, girl, you knew
I'm gonna sing you a sad song, Susie
I'm gonna sing you a sad song, girl
I'm gonna sing you a sad song, Susie
I'm gonna sing you a sad song, girl
Sing you a sad song, Susie, I'm gonna sing you
