

# Think Twice

## Eve 6

When all is said and done  
And dead does he love you  
The way that I do  
Beathing in lighting  
Tonight's fighting  
I feel the hurt so physical Think twice before you touch my girl  
Come around I'll let you feel the burn  
Think twice before you touch my girl  
Come around come around no more  
Think twice before you touch my girl  
Come around I'll let you feel the burn  
Think twice before you touch my girl  
Come around no more She spreads her love  
She burns me up  
I can't let go  
I can't get out  
I've said enough  
Enough by now  
I can't let go  
I can't get out Wait till the day you finally see  
I've been here waiting patiently  
Crossing my fingers and my t's  
You crying on my shoulder begging please Think twice before you touch my girl  
Come around I'll let you feel the burn  
Think twice before you touch my girl  
Come around come around no more  
Think twice before you touch my girl  
Come around I'll let you feel the burn  
Think twice before you touch my girl  
Come around no more She spreads her love  
She burns me up  
I can't let go  
I can't get out  
I've said enough  
Enough by now  
I can't let go  
I can't get out What is it you really want  
I'm tired of asking  
You gone, I'm wasted When I showed up and he was there

I tried my best to grin and bear  
And took the stairs but didn't stop at the street  
And as we speak I'm going downCause she spread her love  
And burnt me up  
I can't let go  
I can't get out  
I've said enough  
Enough by now  
I can't let go  
I can't get outThink twice before you touch my girl  
Come around I'll let you feel the burn  
Think twice before you touch my girl  
Come around come around no more  
Think twice before you touch my girl  
Come around I'll let you feel the burn  
Think twice before you touch my girl  
Come around no more
