Reckless Child

Ithilien

On his mind he once believed
Of a place where no one lived
He waits for his destiny
Reckless of his legacyThis man is me
Child of the land
Our Elders won
What have I doneOur past glory
Faded with me
As one we'll die
No tears no criesIn the end the plague came to my own land
And alone I knew I had no more chance
I stood up and took my sword in my hand
Everyone looked at me with fear and despairOn my throne I once believed
Of a place where someone lived
I wasted my destiny
Tearing down my legacyAs my soul is ï¬•lled by wrath
My kingdom has fell apart
Facing our punishment
I rehash my memoriesI said to those aliveBe proud to ï¬•ght
On this dark ï¬•eld
For your beloved
Blessed by your swordsWe are proud to ï¬•ght
As our faith is not sealed
Keep this in mind
We'll chase the beastThis man is me
Child of the land
Our Elders won
What have I doneOur past glory
Faded with me
As one we'll die
No tears no cries
