

# Reckless Child

## Ithilien

On his mind he once believed  
Of a place where no one lived  
He waits for his destiny  
Reckless of his legacy This man is me  
Child of the land  
Our Elders won  
What have I done Our past glory  
Faded with me  
As one we'll die  
No tears no cries In the end the plague came to my own land  
And alone I knew I had no more chance  
I stood up and took my sword in my hand  
Everyone looked at me with fear and despair On my throne I once believed  
Of a place where someone lived  
I wasted my destiny  
Tearing down my legacy As my soul is filled by wrath  
My kingdom has fell apart  
Facing our punishment  
I rehash my memories I said to those alive Be proud to fight  
On this dark world  
For your beloved  
Blessed by your swords We are proud to fight  
As our faith is not sealed  
Keep this in mind  
We'll chase the beast This man is me  
Child of the land  
Our Elders won  
What have I done Our past glory  
Faded with me  
As one we'll die  
No tears no cries
