Make You Feel My Love

Susan Wong

hen the rain is blowing in your face
and the whole world is on your case
i could offer you a warm embrace
to make you feel my love
when evening shadows and stars appear
and there is no one to dry your tears
i could hold you for a million years
to make you feel my love
i know you haven't made your mind up yet
but i would never do you wrong
i've known it from the moment that we met
no doubt in my mind where you belong
i'd go hungry i'd go black and blue
i'd go crawling down the avenue
there ain't nothing that i wouldn't do
to make you feel my love
the storms are raging on a rolling sea
and on the highway of regret
the winds of change are blowing wild and free
you ain't see nothing like me yet
i could make you happy make your dreams come true
there ain't nothing that i wouldn't do
go to the ends of the earth for you
to make you feel my love
to make you feel my love
