

Make You Feel My Love

Susan Wong

hen the rain is blowing in your face
and the whole world is on your case
i could offer you a warm embrace
 to make you feel my love
when evening shadows and stars appear
 and there is no one to dry your tears
i could hold you for a million years
 to make you feel my love
i know you haven't made your mind up yet
 but i would never do you wrong
i've known it from the moment that we met
 no doubt in my mind where you belong
 i'd go hungry i'd go black and blue
 i'd go crawling down the avenue
 there ain't nothing that i wouldn't do
 to make you feel my love
 the storms are raging on a rolling sea
 and on the highway of regret
 the winds of change are blowing wild and free
 you ain't see nothing like me yet
i could make you happy make your dreams come true
 there ain't nothing that i wouldn't do
 go to the ends of the earth for you
 to make you feel my love
 to make you feel my love
