

# Such a Rush

## Coldplay

Such a rush to do nothing at all  
Such a fuss to do nothing at all  
Such a rush to do nothing at all  
Such a rush to get nowhere at all  
Such a fuss to do nothing at all  
Such a rush.

And it's just like you said,  
It's just like you said.  
Such a rush to do nothing at all.  
Such a fuss to get nowhere at all.

Such a rush X2  
And it's just like you said.  
It's just like you said.  
So slow down please,  
Just slow down,  
So slow down please,  
Just slow down.  
Such a rush x15

Look at all the people going after money.  
Far too many people looking for their money.  
Everybody's out there, trying to get money.  
Why can't you just tell me,  
Try to get money, rush.  
Such a rush.  
They all rush.  
Such a rush x7
