

Walking Contradiction

Green Day

Do as I say not as I do because
The shit's so deep you can't run away
I beg to differ on the contrary
I agree with every word that you sayTalk is cheap and lies are expensive
My wallet's fat and so is my head
Hit and run and then I'll hit you again
I'm a smart ass but I'm playing dumbStandards set and broken all the time
Control the chaos behind the gun
Call it as I see it even if
I was born deaf, blind and dumbLosers winning big on the lottery
Rehab rejects still sniffing glue
Constant refutation with myself
I'm a victim of a catch 22I have no belief
But I believe
I'm a walking contradiction
And I ain't got no rightDo as I say not as I do because
The shit's so deep you can't run away
I beg to differ on the contrary
I agree with every word that you sayTalk is cheap and lies are expensive
My wallet's fat and so is my head
Hit and run and then I'll hit you again
I'm a smart ass but I'm playing dumbI have no belief
But I believe
I'm a walking contradiction
And I ain't got no rightI have no belief
But I believe
I'm a walking contradiction
And I ain't got no right, oh
