

# Yours Faithfully

## Naio Ssaion

Miss you more than ever  
I will wait forever  
(I will wait)  
Until we are together  
Trust in yours faithfully  
(Hey)

My love every time I hear our favorite song  
Tellin' me a house is not a home  
I learned that it's true  
Just being without you

Now I know what love is all about  
And I know for certain, there's no doubt  
I guess you know how foolish hearts can be  
But baby, that's not me

Miss you more than ever  
I will wait forever  
Until we are together  
Trust in yours faithfully

No need to worry  
People are lonely  
Baby, I will be yours only  
Always yours faithfully  
(Hey)

I know, even though the time's not on our side  
I believe that future will be bright  
'Cause our love is enough  
To keep me lookin' up

Wanna let you know that things are fine  
Not a moment you're not on my mind  
I'll be savin' all my love for you  
And that's the honest truth

Miss you more than ever  
I will wait forever

Until we are together  
Trust in yours faithfully

No need to worry  
People are lonely  
Baby, I will be yours only  
Always yours faithfully

Miss you more than ever  
I will wait forever  
Until we are together  
Trust in yours faithfully

No need to worry  
(No need to worry)  
People are lonely  
Baby, I will be yours only  
Always yours faithfully

Now I know what love is all about  
And I know for certain, there's no doubt  
I guess you know how foolish hearts can be  
But baby, that's not me

Miss you more than ever  
I will wait forever  
Until we are together  
Trust in yours faithfully

No need to worry  
People are lonely  
Baby, I will be yours only  
Always yours faithfully

Miss you more than ever  
(Ooh)  
I will wait forever  
Until we are together  
Trust in yours faithfully

No need to worry  
(No need to worry)  
People are lonely  
Baby, I will be yours only  
Always yours faithfully

Miss you more than ever  
I will wait forever  
Until we are together  
Trust in yours faithfully

No need to worry  
People are lonely
