

Leaving at daybreak

[Hans Theessink](#)

Hold me baby - one last time

I'm leaving at daybreak - be gone a great long time

Times getting harder - no jobs at all

Go cross the boarder - won't be back til fall

Go cross the the water - work on the land

Go cross the the water - work for the man

Try to make a dollar and come home again

Hold me baby - one last time

I'm leaving at daybreak - be gone a great long time
