At The Beginning

Donna Lewis

We were strangers starting out on a journey
Never dreaming what we'd have to go through
Now here we are and I'm suddenly standing
At the beginning with youNo one told me I was going to find you
Unexpected, what you did to my heart
When I lost hope, you were there to remind me
This is the startAnd life is a road and I want to keep going
Love is a river, I want to keep flowing
Life is a road, now and forever
Wonderful journeyI'll be there when the world stops turning
I'll be there when the storm's through
At the end I want to be standing
At the beginning with youWe were strangers on a crazy adventure
Never dreaming how our dreams would come true
Now here we stand unafraid of the future
At the beginning with youAnd life is a road, and I want to keep going
Love is a river, I want to keep flowing
Life is a road, now and forever
Wonderful journeyI'll be there when the world stops turning
I'll be there when the storm's through
At the end I want to be standing
At the beginning with youKnew there was somebody somewhere
Help me, alone in the dark
Now I know my dream will live on
I've been waiting too long
Nothing's gonna tear us apartAnd life is a road and I want to keep going
Love is a river, I want to keep flowing
Life is a road, now and forever
Wonderful journeyI'll be there when the world stops turning
I'll be there when the storm's through
In the end I want to be standing
At the beginning with youAnd life is a road and I want to keep going
Love is a river, I want to keep going on
Starting out on a journeyLife is a road and I want to keep going
Love is a river I want to keep flowing
In the end I want to be standing
At the beginning with you
