

# At The Beginning

Donna Lewis

We were strangers starting out on a journey  
Never dreaming what we'd have to go through  
Now here we are and I'm suddenly standing  
At the beginning with you No one told me I was going to find you  
Unexpected, what you did to my heart  
When I lost hope, you were there to remind me  
This is the start And life is a road and I want to keep going  
Love is a river, I want to keep flowing  
Life is a road, now and forever  
Wonderful journey I'll be there when the world stops turning  
I'll be there when the storm's through  
At the end I want to be standing  
At the beginning with you We were strangers on a crazy adventure  
Never dreaming how our dreams would come true  
Now here we stand unafraid of the future  
At the beginning with you And life is a road, and I want to keep going  
Love is a river, I want to keep flowing  
Life is a road, now and forever  
Wonderful journey I'll be there when the world stops turning  
I'll be there when the storm's through  
At the end I want to be standing  
At the beginning with you Knew there was somebody somewhere  
Help me, alone in the dark  
Now I know my dream will live on  
I've been waiting too long  
Nothing's gonna tear us apart And life is a road and I want to keep going  
Love is a river, I want to keep flowing  
Life is a road, now and forever  
Wonderful journey I'll be there when the world stops turning  
I'll be there when the storm's through  
In the end I want to be standing  
At the beginning with you And life is a road and I want to keep going  
Love is a river, I want to keep going on  
Starting out on a journey Life is a road and I want to keep going  
Love is a river I want to keep flowing  
In the end I want to be standing  
At the beginning with you
